

## **Building Resilient Infrastructure and Communities (BRIC) Training Opportunities 2021**

TDEM is offering subapplicants an opportunity to learn more about FEMA's Building Resilient Infrastructure and Communities (BRIC) grant program for 2021.

This webinar will provide an overview of the grant program and detail available funding, FEMA's funding priorities, eligibility criteria, and use of the FEMA GO system for subapplication submission.

Participants must register in advance for these training sessions. After registering, you will receive a confirmation email containing information about joining the meeting. Sessions are Tuesdays and Fridays, 10:00am-11:00am. See the schedule below. The registration link can be found here: <https://bit.ly/TDEMBRICTraining>
